Demus Top Student

Alan Demus, son of Mr. and Mrs. Herman Demus, has won national recognition again--this time in US News & World Report, a nationally circulated news magazine.

Demus is prominently mentioned in a story captioned "Worried about Today's Young People?" in the Oct. 30 issue of the magazine.

The story says that America may be led to believe that hippies and beatniks represent American youth but that this simply isn't so.

The story quotes Dr. Franz R. Brotzen, a mechanical space engineer, as saying, "The academic caliber of today's students is so far superior it isn't funny. What we are teaching now to sophomores and juniors, I had as a graduate student."

US News added: "One who has shown high academic caliber is David Alan Demus, an 18-year-old Rice freshman from Canyon, Tex., who says he hopes to do research in mathematics. Each year around a million high school students take tests supplied by the College Entrance Examination Board. If they score in the 600s, they are good. If they get in the 700s, they are terrific. If they hit 800, they are perfect."

Young Demus took six tests--and scored 800 points on each of them. His record is phenomenal, maybe one in a million.

Mulloy Is New Judge

An Amarillo attorney was named to fill the post left vacant by the recent death of Randall County Judge Lloyd King.

Pat Mulloy, 2832 James Lewis Drive in South Amarillo, will be sworn in at 10 o'clock next Monday morning. Elton Cox, Canyon lawyer, has been serving as county judge since Judge King's death.

Cox told commissioners he would be unable to continue to serve because of conflicting interests involving his law firm.

Mulloy, 61 years old, was appointed at a special meeting of county commissioners Tuesday night. Mulloy told commissioners he has been engaged in law practice for the past 30 years. He also deals in real estate.

Mulloy was appointed to serve until the next general election which will be held in November of next year. He told commissioners he would be a candidate for election to the office.

In a regular meeting of commissioners court Monday J. Lee Milligan of Amarillo was awarded a contract for 3 miles of paving in Precinct 2 west of Ralph Switch.

Milligan's bid was for \$18,495. Three bids were submitted.

Commissioners discussed procedure to be used in micro-filing records in the county clerk's office and agreed to ask Randall County Bar Association to make a recommendation.

Baby Has Close Call

A small Canyon girl was unharmed, but frightened, when she fell into Lake Meredith near Fritch Sunday afternoon.

Pam Lloyd, who will be three years old Christmas Day, was standing on a pier at the lake's Cedar Canyon area with her parents, the Don Lloyds, when she was frightened by a large dog.

Lloyd, who was helping a man who had earlier driven his automobile into the lake, said a boat pulled along side the pier and a large dog jumped out scaring Pam and her four-year-old brother, Mike.

Pam pulled away from her mother and stepped off the pier into several feet of trashy water.

The three year old disappeared from view for a second or two, Lloyd said, but came to the water's surface thrashing her arms.

A man who was standing nearby reached down and pulled the tot to safety.

SIXTEEN YEAR OLD Canyon boy was killed in this jeep-motorcycle collision shortly after noon Monday at the southern edge of the city limits. Services for Steve John Martinez were

held Wednesday. Examining the debris resulting from the wreck is Canyon Police Chief L. D. Caldwell.

Cycle Accident Takes Life Of Canyon Youth

A 16-year-old Canyon youth was fatally injured in a motorcycle-jeep collision shortly after noon Monday at the southern city limits of Canyon.

Steve John Martinez, son of John M. Martinez, Rt. 1, Box 114A, was killed at the intersection of West Seventh Avenue and West Fifth Street when the motorcycle he was riding was in collision with a 1964-

model jeep driven by Bobby Dale Treadwell, a student and security officer at West Texas State University.

Investigating Highway Patrolmen said Treadwell was traveling west toward a farm outside Canyon's city limits and Martinez was going south when the accident occurred. Visibility at the intersection is not good, officers reported.

Treadwell, who was off duty at the time of the incident, said he saw the motorcycle only a split second before the crash. Treadwell found the youth's body pinned beneath the jeep and ran to a nearby house to notify authorities.

A wrecker was necessary to lift the jeep off the body of Martinez.

Randall County Peace Justice W. A. (Bill) Wilson pronounced the youth dead at the scene. Officers said the jeep was apparently in the intersection ahead of the motorcycle.

Requiem mass was conducted Wednesday at St. Ann's Catholic Church in Canyon by the Rev. J. R. Lopez of Amarillo.

Interment was in Dreamland Cemetery under the direction of LaGrone Funeral Home. Rosary services, conducted by the Rev. A. Rodriguez of Our Lady of Guadalupe Church in Amarillo, will be held Tuesday here.

Pallbearers for the service were David Hernandez, Isidore Cordova, David Gonzales, Den-

No Action Yet On Molden Case

No disciplinary action had been taken by West Texas State University officials at mid-week in connection with a disturbance at the university library Thursday night of last week.

John Molden, a Negro student from Amarillo, still faces possible disciplinary action as a result of the fracas in which his wife, Lillie Nance Molden, was arrested.

Mrs. Molden was charged with refusing to allow her purse to be searched at the library in compliance with university regulations.

Here are the circumstances surrounding the incident as related by library officials. Librarian Frank Blackburn said Molden and his wife came to the library Wednesday night and as they left there was an attempt to search Mrs. Molden's purse. There was an argument over it and the purse finally was inspected.

Molden returned a few minutes later to declare that he would not allow his wife's purse to be searched again. He said he would return.

Funds Sought For Scouting

The annual fund raising campaign for the Randall District of the Llano Escudado Council of the Boy Scouts of America was opened Monday with a luncheon for captains and workers at the American Legion Hall.

Campaign chairman, Gene McGlasson, said that a goal of \$3,177.75 has been set for the campaign this year. All of the proceeds raised here will remain in the local treasury and the council will provide additional funds.

"We want to give every boy a chance to learn and grow through the scouting experience," said McGlasson.

The campaign chairman said that one of the primary objectives of the drive is to get as many sustaining members as possible. To become a sustaining member, it is necessary to give bank draft authorization for drawing \$1 or more per month.

The advance gifts drive was conducted last week under the direction of Benny Cooper. Reports are unavailable on the success of the advance campaign.

The main drive, underway this week, is due to be concluded early next week. The

majority, captains and workers will conduct the city canvass for funds. Persons not contacted and wishing to contribute to the campaign should call McGlasson or one of the majors.

Serving as majors for the campaign this year are Mrs. Lee Roy Moreland, Mrs. Robert B. Brotherton, Bud Hickman, W. B. Harris, Joe Giddens and Don Vars.

Convention Held Here?

An American Party spokesman said his party held a county convention at 10 o'clock last Friday morning on the east lawn of Randall County Court House as had been announced in a notice filed with County Clerk Leroy Hutton.

However, several newsmen and spectators who were on the east lawn of the court house from 9:50 a.m. until 10:15 said no one put in an appearance there during that time.

The county convention had officially been called for 10 o'clock last Friday morning.

Its announced purpose was to elect delegates to a state convention.

Floats Ready For Saturday Parade

A full slate of activities has been planned for ex-students observing Homecoming at West Texas State University this week end.

Four dances, the annual Homecoming parade, a barbecue, reunions, open house at the new Administration-classroom building complex and the WTSU-Arlington State football clash are being planned for the annual affair.

A Western Dance was held Wednesday night and "The Renaissance" will play for a dance to be held at 8 p.m. Friday in the WTSU Student Union Building.

Following the football game Saturday, "The Tiaras" will play for a Victory Dance in the SUB Ballroom.

Homecoming Coronation Thursday

Crowning of the 1967 Homecoming Queen at West Texas State University will highlight an assembly in the Fieldhouse at 11 a.m. today.

Among those candidates vying for the crown is Renee Owen of Canyon. Others include Darlene Bragg, Estelle Junior; Marty Kollmar, Amarillo senior; Barbara Landrum, Amarillo senior; Betty Massie, Friona junior; and Diane Smith, Amarillo sophomore.

Miss Owen, the daughter of Mr. and Mrs. H. B. Owen of Canyon, was made an Honorary Cadet Colonel at an annual Military Ball for the Reserve Officers Training Corps at WTSU earlier this year.

A foreign language major at WTSU, Miss Owen was secretary of her freshman class last year.

She graduated from Canyon High School where she was named Homecoming Queen for 1966, was senior class favorite and selected Charm Queen and Lions Club Queen for 1966.

At CHS, Miss Owen was selected as Best Thespien and received awards in both French and English.

The homecoming assembly program will be broadcast by an Amarillo television station.

year is "This Is My Country" and trophies will be awarded for floats best portraying the theme. The parade is scheduled for 3:30 p.m. Saturday and 15 organizations have signed to enter floats.

Floats will be sponsored by Buffalo Masquers, Student Education Association, Industrial Education Club, Kappa Pi, Faith Student Center and Block and

Halloween Carnival Tuesday

An old fashioned Halloween carnival will be held Tuesday evening at the Junior Livestock Building.

Approximately 12 booths, sponsored by local civic clubs, will open at 7 p.m. Booths are designed for first grade students through high school age and parents are invited and urged to attend with their children.

Concession stands will be available throughout the evening. The carnival is being sponsored by the Canyon Study Club.

A Halloween queen will be selected from high school nominees through a "penny-vote jar", according to Mrs. Weyman Brown and Mrs. Charles Brasher, co-chairmen. The queen will be crowned at 9:30 p.m. The carnival is slated to close at 10 o'clock.

Horses Taken From Sheriff

Sheriff L. S. (Slim) Johnston frowns on horse thieves--especially when the animals taken belong to him.

The Randall County peace officer recently made a trip to Lakewood, N.J., in search of two men who purchased 31 horses from the sheriff Aug. 29 and gave a bad check.

Johnston said he recovered 22 of the animals in the New Jersey town and was to have sold them in nearby Edison, N.J., Wednesday night. The other horses had already been sold by the two men, he said.

The sheriff said he planned to defer legal action until a later date.

Grain Harvest Half Complete

Milo harvest is about one-half complete for the season, according to elevator managers in Randall County.

The managers contacted this week said moisture content of the grain was averaging about 14 per cent and that farmers were reporting yields above those of last year.

Consumer's Fuel Association and Elevators Manager Arnold Pritchard termed the milo harvest "exceptional" this year, especially considering the amount of irrigation necessary to raise the crop.

About 12 million pounds of milo has been brought to the Consumer Elevators, he reported.

In the Umbarger, both elevator managers there said harvest was in full-swing and

should be completed as soon as a freeze matures the grain.

George Brockman, of Trans-Con Elevators, said the grain had dried considerably in the past few days, although there were still some fields with milo that is "grass green".

"Where there has been no hail, farmers have made pretty good pounds," he said. "One man said he got 7,500 pounds per acre."

Vince Ramaekers said the Umbarger Co-Op Elevator had received between seven and eight million pounds of milo thus far in the harvest season.

"The end of harvest," he stated, "will depend on the frost we get."

Ramaekers estimated harvest this season was "a little ahead of last year."

J. R. Gill, Bushland Co-Op Elevators manager, said harvest in his community was about 65 per cent complete, with farmers reporting yields of 1,000 to 1,500 pounds per acre above that of last year.

He estimated the harvest there could be completed in two weeks if the area received a freeze.

Gill said about 85 per cent of the milo he received came from Randall County.

Canyon and Umbarger elevators are paying \$1.70 per hundred pound for milo while Bushland has a rate of \$1.65.

Brasher Is Now Presumed Dead

Capt. Jimmy M. Brasher, who was reported missing in action in Vietnam last September, was listed presumed dead by the Department of Defense last week.

Capt. Brasher, a decorated pilot serving with the US Army, was stationed at Hue, Vietnam Sept. 28, 1966 when his family was notified that his plane had disappeared from a radar scope.

Mrs. Brasher was notified Wednesday of last week by members of the West Texas State University Reserve Officers Training Corps that Capt. Brasher was presumed dead. No explanation for the decision was given, she said, except that an earlier letter stated the Department of Defense was reviewing the incident.

Capt. Brasher was born April 9, 1941 in Plainview and had been a resident of Canyon 22 years. He attended Canyon High School and was a member of the National Honor Society and varsity athletic teams.

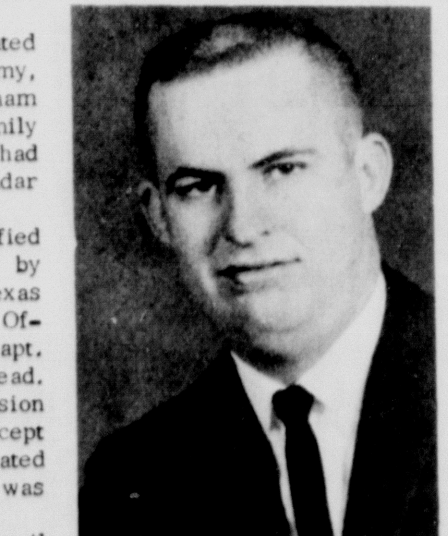

He graduated from WTSU in 1963 and received his commission there as a ROTC member. He received a bachelor of science degree in chemistry.

Capt. Brasher received training in 1964 at Fort Benning, Ga., and in aviation at Fort Rucker, Ala., where he received his pilot's wings.

He received additional training at Fort Carson, Colo., and in Arizona and served five

months in Korea prior to an assignment in Vietnam.

Capt. Brasher had been in Vietnam seven months at the

CAPT. JIMMY M. BRASHER

time of the report last September.

His wife, Sally, is the daughter of Mr. and Mrs. Lee Foster of Canyon. He is the grandson of Mr. and Mrs. D. P. Clark of Canyon and her grandmother is Mrs. J. H. Brewer.

Other survivors include a son, Bradley Bruce, 3, and a daughter, Leslie Lynne, 6; parents, Mr. and Mrs. F. V. Brasher of Canyon; sisters, Mrs. Wallace Huff and Mrs. Bill Rogers of Amarillo; and brothers, Lynne Williams of Canyon and Gordon Williams of Mineral Wells.

Absentee Balloting

Absentee voting on six state constitutional amendments is underway in Randall County and will continue through Nov. 7, according to County Clerk Leroy Hutton.

Absentee ballots may be cast at the county clerk's office in Canyon or at the court house annex at 3806 South Bowie in South Amarillo, he said.

Hutton said voters must cast ballots in the county in which they reside at the time of the election.

Persons who moved into the county less than six months ago must vote at the county clerk's office.

Those who registered elsewhere and moved into the county more than six months ago should apply to the county tax assessor-collector's office for a registration transfer, Hutton said.

FROM THE CANYON RIM

by Troy Martin

(Editor's Note: This is a guest column by Ernest Fischer, who is associated with the journalism department at West Texas State University. Fischer is a veteran Associated Press newsmen having covered World War II from its very beginning.)

A newcomer's first impressions of Canyon:

Coming in from the south on U. S. highway 87—a city built in an elongated bowl, at right angles to the highway... a water tower at each end of the bowl... grain elevators pointing skyward, gothic temples of the plains... in the distance, across the bowl, a butte-like elevation on the landscape, later identified as a huge pile of caliche.

My first Sunday in Canyon—a first tour of Palo Duro Canyon, steeped in history, drama, folklore, legend, and contemporary conservation... jagged gash in the earth as if the prairie had been slashed by the flaming sword of some Olympian god... then to Buffalo Lake, the other scenic wonder of the region.

Second Sunday—exploring the campus and the city... driving cross-country, street after street, to learn the geography of the place... just dawdling along... stopping long enough to read the plaque at the site of Conner's Dugout... then dawdling along some more to the far western edge of the city... a cloud of caliche dust approaches... another car, phantom-like, emerges from the cloud, and a woman driver peers from the car... and she says, "Mister, are you in trouble? Are you looking for some place you can't find?" Before the caliche dust had settled she had invited me out to the family ranch. In some other cities I could mention this would be a lead-pipe cinch. That is, if the invitation were accepted, some male accomplice would be lying in wait with a piece of pipe and a getaway car. In this case there was not even an RSVP; just an open-hearted, take-it-or-leave-it invitation to "come see an unusual place." I'll be seeing you all, Miss Face-in-the-Caliche-Dust.

Third Sunday—the churches... most of them seem to be on 4 and 5 avenues... I go in one, by repeated invitations which began the day after I arrived... there are farmers, dairymen, ranchmen, merchants and professional men, and their families, at worship. There isn't a saloon in sight. New Orleans was never like this. Nor New York, London, Paris, Berlin, Vienna or Geneva.

Fourth Sunday—the Pan-

handle-Plains Museum... a panorama of regional heritage... a ranchman scrutinizes the prototype of a windmill... art lovers view an exhibition of contemporary paintings.

There have been two other Sundays thus far, and other days meanwhile and in between, all filled with acts and words of friendliness and good will toward a newcomer who came here knowing only one person in this city of some 9,000. And that was City Judge Burney Slack, who was this guest columnist's room-mate at the University of Texas in 1922-23.

Your regular columnist, Troy Martin, introduced me at a social function recently as "one of the last Americans to see Hitler." I was startled by the veracity of his statement, and I was dumfounded by the fact that it had never occurred to me. Hitler was 53 at that time and I was 40. None of these matters are of the slightest significance to the world, of course. So far as that goes I saw the late Aga Khan III once, too. He told me "the Swiss are the happiest people on earth." I would not presume to dispute the word of the leader of the Ismailian Mohammedans, but I've been in the Panhandle six weeks now, and I'm beginning to wonder.

I can say this here and now: These are the friendliest people here I've ever met.

Symposium Set Today

Use of nitrogen and ammonia to obtain nutrient balance in the application and management of fertilizers on grain sorghum, wheat, cotton, sugar beets, and vegetables will highlight an agronomy symposium at West Texas State University Thursday.

The Southern Great Plains Agronomy Symposium is sponsored for agriculture and agribusiness of the Panhandle and South Plains by the Texas Plant Food Educational Society and the Agricultural Nitrogen Institute.

Scheduled in the ballroom of the Student Union Building, the symposium opens with registration from 8 until 9 a.m. A welcome will be given by Dr. Emmitt D. Smith, vice president for program development, research, and public services at WTSU.

Among topics to be discussed by speakers will be application, distribution, and specifications for ammonia, nitrogen transformations in soil, and fertilization of the varied products of the region.

The symposium will close with summary observations at 4:10 p.m.

Auto Firm Purchased

T. S. Stevenson, Jr. has purchased the Oldsmobile automobile agency here from Alvin McDonald, who has been in business in Canyon for 35 years.

The agency purchase, which was effective Tuesday, will allow Stevenson to sell Oldsmobiles at his location north of Canyon on Buffalo Bowl hill.

McDonald, who has had a direct Oldsmobile dealership for 32 years and an associate dealership for 35 years, said he would continue to sell new and used cars as well as maintaining an automobile repair shop at his location at 425 16th St.

Before going into the automobile business, McDonald worked as a farmer, mechanic and oil field worker.

Stevenson, who moved to his present location about two and one-half years ago, began in the automobile business here in 1947 when he purchased a Pontiac dealership.

He obtained a GMC dealership in 1950 and began selling Buicks in January of 1966.

Although Stevenson said he planned no expansion of his facilities at this time, there is a large land area available.

Stevenson said his building and automobile lot included about one city block of area.

Candy Sale Continues

Canyon Lions Club members will be selling Halloween candy here this week, according to W. A. (Bill) Wilson, co-chairman of the project.

Wilson said Lions Club members canvassed the city last week selling the candy door-to-door. The candy costs \$1 per bag and each bag contains 101 pieces, Wilson explained.

The candy was purchased locally and is guaranteed fresh.

Among those projects for which proceeds will be used is the purchasing of eye glasses for needy children.

Dr. W. J. Wooten is co-chairman for the project.

He is among 157 medical students whose first-year training will include courses in anatomy, physiology, biochemistry, pathology and microbiology.

The University of Texas Medical Branch, oldest and largest medical school in the state with a faculty of approximately 400, has facilities for more than 1,000 patients in its various hospitals. Medical students number 589, along with 172 nursing students, 29 interns, 170 residents training in the various specialty programs, and 52 in the medical services curricula.

Pittard, a 1967 graduate of Abilene Christian College, is the son of Mr. and Mrs. Bob Pittard, 403 Taylor Lane in Canyon. While attending Abilene Christian, he was a member of Alpha Chi Fraternity. During the summer of 1967, he worked on a research project concerning the preparation and biological activities of some hydroxamic acids at the Med-Branch.

Three At Soil Meet

The 27th annual state meeting of the district supervisors of Texas Soil and Water Conservation Districts, held last week in Fort Worth, was attended by three Canyon men.

Those representing the Palo Duro Soil and Water Conservation District here at the meeting were C. V. Conatser, vice chairman of the board of supervisors which comprises Randall County; J. W. Spencer, retired member of the board; and John D. O'Connor, conservationist for the local unit of the Soil Conservation Service, assisting the soil and water group.

Theme for the convention was "Leadership—Key to Districts' Future". About 700 attended the convention.

Principal speaker for the three-day affair was US Senator John Tower, who discussed legislation pertaining to water and soil conservation. He also spoke of "Water, Inc.", a group formed in Lubbock last year to help promote the importation of water into the Panhandle area.

Other speakers included Jim Wright, US Congressman, and State Representative Bill Clayton from Springlake.

A. L. Black of Friona was elected president for the group. Next year's meeting will be conducted at Galveston.

Art Works On Display

About 90 paintings by members of the Dallas chapter of the Panhandle Plains Historical Society are on display in the Panhandle Plains Historical Museum.

The show, which Director Boone McClure recently brought from Dallas, will hang in the new gallery through the month of November.

The works on display are for sale and include oils, pastels and water colors.

The works of water fowl artist, Revere Bassett, who visited the museum last year, are on display with the works of approximately 70 other Dallas artists.

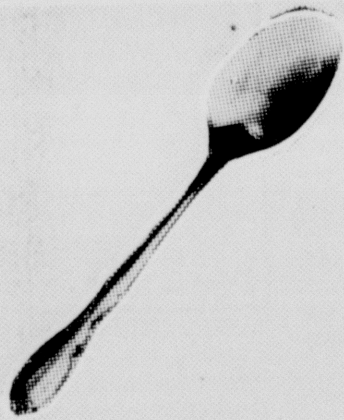

A reception for the artists is slated from 2 until 5 p.m. Nov. 5.

foot street dedicated by Hunsley. The street, he indicated on a plat request, would become part of a network of roads that may tie 11th St. with Highway 2590 (VFW Road).

Hunsley had earlier requested the city couple its request for opening 15th Street north into Hunsley Hills with a project that would tie Highway 2590 with 11th St. He proposes a loop into Hunsley Hills with Highway 2590, south to 11th Street.

Hunsley said while residents in the northern section of the city could come to Canyon across 15th Street by using a US Highway 60 service road, there was no access south to Canyon on 11th Street.

City Commissioners will consider Hunsley's plat request at a later date.

The dinner is scheduled at 7:30 o'clock in the WTSU East Dining Hall. Vaughn Vandergriff, executive secretary of the association, said more than 300 members were expected for the affair.

Program for the evening will be emceed by Bob Watson, general manager of KGNC-TV in Amarillo. J. W. Foust of Ama-

Overseas Yule Mail Dates Set

Dates have been announced for Christmas mailing of parcels to members of the Armed Forces overseas, according to Canyon Postmaster LeRoy Moreland.

The term "Armed Forces Overseas" includes personnel of the Armed Forces, members of their families, and US civilians employed overseas who receive their mail through an APO, or FPO, New York, San Francisco or Seattle.

Date for mailing surface transportation is slated through

Nov. 11; space available is through Dec. 1; and airmail is Dec. 1 to Dec. 11, he said.

"All articles should be packed in boxes of wood, metal, solid fiberboard or strong double faced corrugated fiberboard," Moreland said.

All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord and sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package, he added.

"A slip showing list of contents and name and address of sender and addressee should be enclosed in the parcel," he said. "Customs declarations, completed by the senders, are required to many destinations overseas."

In addition to articles normally prohibited in the mail, matches of all kinds and lighter fluid may not be mailed to overseas military addresses. Cigarettes, other tobacco products, coffee and various other items are prohibited in parcels addressed to some military post offices, he explained.

Gift parcels to members of the Armed Forces serving in Vietnam will be provided air-lift service on a space available basis from the west coast, Moreland declared, when the weight of each parcel does not exceed five pounds and measures not more than 60 inches in length and girth combined even though postage is paid at the surface rate.

Ex-Canyon Man Killed

A former Canyon resident and his young son were killed Sunday night near Jacksboro when their car crashed into a 12-foot deep creek bed.

Larry Pool and his son, Jeff, died at the scene. Pool's wife Virginia, 27, and another son, David, 19 months, were taken to Jack County Hospital where her condition was listed as poor and the son's condition as fair.

State Patrolman Ray Priest said another car made a U-turn in front of the Pool vehicle and forced it off the road. The driver of the other car was arrested later at Mineral Wells and charged with negligent homicide.

Pool was employed with Paymaster Seed Farm at Plainview.

Historical Marker Set For Canyon

An official Texas Historical Marker for the "Battle of Palo Duro Canyon" is due to be erected soon at the turnaround in Palo Duro Park, east of Canyon.

The marker dedication will be announced by Mrs. Terry C. Martin, chairman of the Randall County Historical Survey Committee. The cast aluminum marker with Swedish steel effect measures 27 by 42 inches. The marker will be the twelfth official marker to be erected in Randall County.

Local historic sites and landmarks receive markers as a part of the Texas State Historical Survey Committee's 5-year RAMP program to record, appreciate, mark preserve and survey Texas history.

The "Battle of Palo Duro Canyon" marker will appear in the next edition of the Guide to Official Texas Historical Markers, in various tourist guides and on maps to stimulate tourist interest in this area, according to Mrs. Martin.

"A" honor roll students in the seventh grade are Katherine Albers, Sheryl Bellah, Cindy Bullock, Teddi Crager, Claire Daugherty, Luran Fulton, Sharon Lumry, Dee Deborah Martin, Pattie Ormsby, Marla Phillips, Melanie Sykes, Julie Whisler, Elizabeth Zachry, Matt Hanson, Craig Henderson.

Canyon Junior High's Seventh Grade took a 16-0 victory over La Plata in Hereford Tuesday evening. The win boosted Canyon's record to 2-1 for the season.

Canyon jumped to a 16-0 lead in the first half and made it stand up until the end. The first score came on Matt Hanson's run from five yards out, and Hanson added the extra points on a run. The scoring drive covered 95 yards and took seven plays.

Bill Moore got the other touchdown on a three-yard quarterback sneak, and Rocky Chambers skipped in for the extra points.

"Our offense and defense was fantastic in the first half," related Coach Wayne Phemister, "but we seemed to get overconfident in the second half and slowed down."

Offensive stars for Canyon were tackle David Hernandez, guards Ricky Phemister and Gary McBride, and fullback Neil Currie.

Defensively, Phemister had high praise for the whole team, but added that "Sammy Kerbel's hitting was tremendous." The Eagle defense gave up only one first down in the first half.

Next week the Seventh Grade tackles Tulla at CHS Field at 5 p.m. Tuesday.

NM Aggies Thump Buffaloes 31-10

The New Mexico State Aggies have not lost a home football game in four years. Their home field invincibility paid off once again Saturday night with a 31-10 victory over the highly-regarded West Texas State Buffaloes.

Led by bullish sophomore fullback Duane Thomas, West Texas moved the ball all over the field but could not get it into the end zone enough, as they outscored the Aggies 254-210, outpassed them 207-149, out did them in first downs 21-18, and only had to punt three times to NMSU's six.

Making the loss, the Buffs' second of the year, doubly sad was the loss of Thomas for the season with a broken ankle sustained just before the game's end. The explosive runner had his finest game at West Texas, ripping off 165 yards on 18 carries and scoring the Buffs' only touchdown.

Herd safety Steve Haterius, the nation's leading pass interceptor, picked off a stray Aggie aerial and gave West Texas a golden opportunity at the NMS 32 in the third quarter after trailing 21-10 at the half. The drive went down the drain when halfback Eugene Morris fumbled at the 18. The interception was the seventh of the year for Haterius and the 13th of his career, which is a school record.

A 15-yard penalty killed another Buff threat in the third quarter. Then in the final period, with the Herd at the hosts' 33, quarterback Roy Winters hit tight end Dan Andrews at the five on what appeared to be a touchdown pass, but Andrews dropped the throw. Such was the luck of the Buffs in Las Cruces' Memorial Stadium, and such has been the luck of the last 16 teams to visit there.

The first West Texas score came in the first quarter on a record-breaking field goal by kicking sensation Donnie Pruitt. Pruitt's 46-yarder shaded a 45-yard boot made earlier this year by Tommy Fambrough, and left the Buffs behind only 7-3.

Thomas' touchdown came on a one-yard Crash after New Mexico State had staked a 14-3 lead in the second period, and Fambrough's conversion made the count 14-10. It was the 20th straight conversion for Fambrough this year, who has yet to miss in 1967. The drive covered 80 yards and took seven plays.

Thomas stormed for 33 and 10 yards, then Winters flipped to Morris for 22, Morris ran for six, and Thomas ran for three, before smashing over from one yard out.

Thomas was injured in the closing seconds of the game. After a 36-yard run, he was tackled hard and suffered a break just above his left ankle. The Aggie defenses were keyed to stop the Buffaloes' elusive Eugene Morris, who entered the game as the nation's

second-ranked rusher. Such strategy only helped to open the door for Thomas, although Morris was held to 43 yards in 16 carries.

Winters completed 16 of 39 passes for 207 yards. Thomas was named the Buffs' most valuable offensive player, while linebacker Jesse Powell capped the honor on defense.

Aggie scores came on a 29-yard run by fullback Doug Dalton, a two-yard run by Dalton, Bill Byrd's nine-yard run, a 52-yard pass interception return by Kelly Olive in the last quarter, and a 23-yard field goal and four extra points by Al Gonzales.

Local Team Stuns Hamlet

The Canyon Cowboys broke a three game losing streak with a 20-0 stampede over Amarillo Hamlet Sunday afternoon at Travis Junior High in Amarillo, in Kids Incorporated minor division play.

Billy Jack Wright shook the Hamlet defenses for 115 yards on eight carries, averaging 14.4 yards a run.

Fullback Jimmy Ward rammed over two touchdowns and one extra point for 14 points, and rushed for 20 yards on 10 carries. Wright scored the other Cowboy touchdown.

There were several defensive heroes for the Cowboys. Steve Riley made eight tackles and recovered a fumble, while Mitch Shadix totaled six tackles, recovered a fumble, and intercepted a pass. Garre LaGrone was in on eight stops and Dale Bagwell on six.

Allen Shankles had a touchdown run called back on a penalty. Coaches Stan and Mike LaGrone named Wright and Ward as the outstanding players.

The Cowboys meet undefeated Amarillo Lawndale Sunday at Canyon Junior High at 3 p.m.

Herd Blanks Eagles

The Canyon Eagles were shot down 32-0 by the methodical Hereford Whitefaces in Hereford Friday night in the 1967 District 1-AAA opener for each team.

The Whitefaces celebrated their homecoming by battering the Eagle defenses for 404 yards rushing and holding Canyon to 38 yards rushing and four first downs. The Eagles ran only two plays from Whiteface territory, both on the same drive.

Canyon end Tony Gibson was named the Eagles' player of the week. Gibson was in on nine tackles, many of them on crucial situations. "For a 135-pounder, Tony's pretty tough," commended Eagle Coach Jim Greenwood.

Scoring in every quarter, Hereford dominated the entire game.

Canyon's offense lost four fumbles in the first half, all in Eagle territory, and in the second half failed to pick up a single first down.

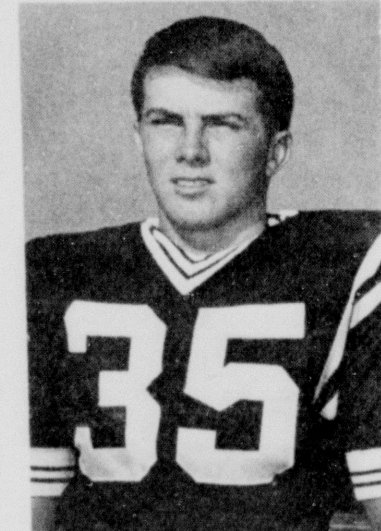

Hereford halfback Bobby Burwick broke loose for 178 yards, the best total by any back to face the Eagles this year.

The Whitefaces took a 6-0 first quarter lead on a seven-yard pass from quarterback Sid Shaw to end Lenny Petree that capped a 27-yard drive of five plays. The opportunity came when Canyon lost a fumble at the Eagle 27.

Two second period scores gave the hosts a 19-0 halftime lead. The first came on a 14-yard run by fullback Elgin Williams that finalized a 43-yard

push of two plays. Bobby Burwick's 29-yard gallop set up the score, after Hereford had once again gained possession on a one-yard fumble in their own end of the field. The other touchdown before the half came on a one-yard plunge by Shaw to complete an eight-play journey of 47 yards and a 15-yard personal foul against the Eagles provided most of the advance.

The first time Hereford got the ball in the second half, Bur-

TONY GIBSON

wick bolted over left tackle and ripped off a 70 yard run for a 25-0 lead.

Burwick tallied the final touchdown on a two-yard thrust over left tackle in the final period. The scoring drive covered 40 yards and used seven plays.

The Eagles managed only 38 yards rushing against the stout Hereford defense, with fullback

Phil Swatzell getting most of it with 36 yards. Canyon picked up 64 yards passing, with substitute passer Bob Wood throwing for 49. The Canyon yardage total was 102.

The Eagle defense held Hereford's passing game to only 29 yards on four of eleven completions.

Despite a soft line caving in to the Whiteface rushing onslaught, several Eagles made their presence keenly felt by the Whiteface ball carriers. Phil Swatzell led Canyon tacklers with 14 from his linebacker post, while Gibson had nine, and linebacker David Thompson uncorked some vicious tackles and provided tight pass coverage. Tim Van Valkenberg recovered two fumbles.

Burwick's 178 yards for an 11.9 yard average paced Hereford's offense, but Williams ran for 85 and 8.5 yards a trip, halfback Tony Malouf picked up 37 at a 6.2 rate, and substitutes Bill Cole and Steve McAndrews had averages of 7.0 for 42 and 4.3 for 30 yards, respectively.

Canyon's Lon Conner punted eight times for a 35.9 yard average, including a 54-yard boot on his last effort.

The homecoming festivities were highlighted by a halftime presentation of the theme, "From Sea to Shining Sea", by a cast of over 300 that included three choirs, three bands, Cub Scouts, Boy Scouts, Camp Fire Girls, and junior twirlers.

Pre-Season Games Set By Cagers

West Texas State's basketball squad will hold six pre-season intra-squad games in area Panhandle towns this fall.

The first of the scrimmages is slated for the Amarillo High gym on Monday, Oct. 30 at 7:30 p.m. Admission will be \$1 at the gate. The scrimmage is sponsored by the Amarillo Chamber of Commerce. Season tickets for the Buffs' rugged 1967-68 schedule will be on sale at the gate, and membership for the basketball booster club will be solicited.

Other scrimmages scheduled are at Phillips (Nov. 7), Canyon (Nov. 9), Tulia (Nov. 13), Pampa (Nov. 15), and Hereford (Nov. 20).

The Canyon scrimmage will be held in the West Texas State fieldhouse, but all others will be staged in the local high school gyms.

Falcons Unbeaten

The Canyon Falcons remained undefeated and atop the Prairie League standings in Kids Inc. football with a 22-6 victory over Amarillo Sanborn Sunday afternoon at El Alamo Park in Amarillo. Going back through last year, the Falcons now have an unbeaten streak of five games. They are 3-0-1 for the year and have a perfect 3-0 record in league play.

Ed Lair's one-yard dive and an extra point run by Kevin Robins put Canyon ahead 8-0 on their first possession of the game. A 20-yard pass from Lair to split end Mark Byars and Ricky Lyles' six-yard run that ended just shy of the goal were key plays in the drive.

After being down deep in its own territory following the second half kickoff, Canyon broke Robins on a 74-yard scoring dash around left end by throwing four key downfield blocks. Robins ran for the extra points.

On the last play of the game, quarterback Jeff Carlile rolled out around right end, barely

escaped two near-tackles, and fled down the sideline for a 50-yard score.

Defensive standouts for the Falcons were linebacker Gary Bednorz with nine tackles, safety Dale Ratliff, who blocked a punt and was in on seven tackles, and Byars with seven stops.

Jody Moore, Andy Cooper, and Robins each made six tackles. Lair intercepted a pass.

Excellent line play was provided throughout the game by Steve Hatch, Larry Pate, Maurice Whittenberg, Mark Guill, Mark Collier, Alan Payne, Chris Moreland, Bruce Tiffin, Cooper, and Moore.

Robins rushed for 99 yards on five carries for a 19.8 average. Lair averaged 6.7, Lyles 4.5, and Carlile 50.0 on his one carry, among other rushers.

The Sportsmanship Award went to Byars and the Mad Falcon Award to Bednorz.

The Falcons final league game is against Amarillo South Georgia at CJHS Sunday at 2 p.m.

CANYON FALCONS -- The Canyon Falcons, ages ten through twelve, compete in the major division of Kids Incorporated football. Players attend school at Rex Reeves and Gene Howe elementary schools. Front row, left to right, Jody Moore, Steve Hatch, Chris Moreland, Bruce Tiffin, Don Powell, and Mark Collier.

Second row, Mark Byars, Kevin Robins, Larry Pate, Alan Payne, Gary Bednorz, Mark Guill, Maurice Whittenberg, and Andy Cooper. Third row, Coach Jon Low, Dale Ratliff, Jeff Carlile, Doug Day, Ed Lair, Ricky Lyles, and Coach Dennis Tomlin.

CANYON COWBOYS -- The Canyon Cowboys, ages nine and ten, compete in the minor division of Kids Incorporated football. All players are from Rex Reeves Elementary School. Front row, left to right, Danny Bible, Mario Acosta, Wes Allen, Mack McWilliams, Juan Hernandez, Phil LaGrone, Greg Carlile, and

Donny Patchin. Second row, David Woolsey, Mitch Shadix, Tommy Edds, Joe Carter, Billy Jack Wright, Duane Potts, Allen Shankles, and Jimmy Ward. Third row, Dale Bagwell, Bob Lindsey, Steve Riley, Garre LaGrone, and Hoss Ratliff. Coaches are Mike LaGrone and Stan LaGrone.

B-r-r-r Eagles Face Mighty Dumas Demons

The Dumas Demons, ranked ninth in the state in Class AAA by the Dallas News poll, invade Buffalo Bowl to meet the Canyon Eagles Friday at 7:30 p.m.

The teams opened district play last week at opposite ends of the scoreboard, with Canyon falling 32-0 to strong Hereford while the Demons took a 56-8 win over the struggling Muleshoe Mules.

Led by quarterback Glenn Bonner and darting Steve Burks, a speedy halfback, the Demons boast a rugged team with size, speed, and depth.

The 4-1-1 record posted by Dumas includes only a loss to the state's fifth ranked AAAA Amarillo Sandies and a 0-0 tie with Amarillo Palo Duro, also a AAAA foe, to mar the record.

The Sandies have a perfect 6-0 record, while last week the Dons showed their strength by upsetting previously un-

beaten Lubbock Coronado. Demons wins have come at the expense of AAAA Pampa (69-6), AA Phillips (18-0), AAAA Berger (6-3), and the district debut with Muleshoe last week.

The Demons are averaging 27.2 points a game, while their defense is giving up 8.3 points per Friday. The Eagles have averaged 7.7 points a game while giving up 32.7 points per week.

A large line up front for Dumas includes tackle Kenny Cluck (226), guard Newell Squyres (188), tackle Robert Purves (200), and tackle George Stauber (215). Standouts in the backfield include Ron McInturff and Mike Slagle, in addition to Burks and Bonner.

Canyon's progress has been slowed by an unjust number of injuries and the fact that many sophomores have been forced into action without any high

school playing experience. Learning as they go, the Eagles have progressed more than their 1-5 record indicates, and are capable of springing some upsets before the season rolls to a close.

Probable offensive lineup for Canyon: Dwayne Berber at center, Andy Hanson and Chuck Hester at guards, Tommy Tucker and Ronnie Russell at tackles, Tony Gibson and Pat Hickman at ends, Lon Conner at quarterback, Bob Wood and David Thompson at halfbacks, and Phil Swatzell at fullback.

Probable defensive lineup for Canyon: Tim Van Valkenberg at middle guard, Russell and Tucker at tackles, Hanson and Gibson at ends, Swatzell, Gary Gilbert, and either Gerber or Ronnie Pope at linebackers, and Wood, Thompson, and Conner in the secondary.

Rebs Invade Buffalo Territory Saturday

Offensive-minded West Texas State seeks to rediscover its scoring touch without the powerful blasts of fullback Duane Thomas when the Buffs entertain undefeated University of Texas at Arlington in Buffalo Bowl Saturday at 7:30 p.m.

The Rebels, ranked as the nation's sixth leading small college power in last week's Associated Press poll, will bring a perfect 6-0 record into the game. West Texas will enter the contest with a 4-2 slate after dropping a frustrating 31-10 decision to New Mexico State in Las Cruces Saturday night.

The Arlington thrill show won its first four games by a total of six points, including three in a row by a single point. About as big a blow as losing the game was the loss of Duane Thomas for the season.

The 6-2, 215 pound sophomore gained 165 yards rushing before suffering a broken bone above the left ankle in the closing seconds of the game. Thomas entered the Aggie tilt ranked as the nation's 12th leading rusher with 431 yards. He closes his sophomore season with 596 yards rushing and five touchdowns.

The University of Texas at Arlington, formerly Arlington State, returns 26 lettermen from last year's 6-4 co-championship of the Southland Conference.

Coach Burley Bearden's Rebels have posted wins over Los Angeles State (17-14), New Mexico State (15-14), East Texas State (7-6), McNeese State (17-16), Tarleton State (37-7), and Trinity (31-16) this season.

Spearheading UTA's balanced offensive is junior quarterback Mike Baylor. Baylor has completed 56 of 129 passes for 736 yards. Favorite targets for Baylor's passes are Dick Hill, Jimmy Thomas, and Mike Buchanan. Hill leads Arlington receivers with 23 catches for 310 yards. Thomas has gained 342 yards on 17 receptions and Buchanan owns 14 catches for 149 yards.

The Rebels' balanced running attack features the solid inside-outside duo of tailback Keith Luft and fullback Danny Griffin. Luft leads Reb half carriers with 463 yards on 117 carries, while the 215 pound Griffin has bulled for 298 yards

on 64 carries. Paving the way for Rebel ball carriers is a seasoned offensive line, headed by guards Bob Diem (220) and Greg Bailey (245), and tackle Ken Riley (231).

Defensively, the Rebels are particularly strong against the pass. All-Southland Conference safety Robert Willbanks and defensive halfback Billy Mitchell lead the Rebels in interceptions with three each.

UTA will doubtlessly be keying on sensational Buff halfback Eugene Morris, the Pittsburg, Pa., whirlwind who was stormed for 674 yards on the ground and grabbed 12 passes for 217 more. New Mexico keyed on Morris, but with questionable success--they held Mercury to 53 yards on 16 carries, but Thomas took up the slack by ripping out 165 yards on 18 carries.

The Rebel secondary may provide a stiff test for Buff passer Roy Winters. When Winters can get the ball to his receivers, West Texas is as dangerous a passing team as can be found, as the Buff receivers have caught 59 for 1120 yards, an average of 19.0 yards a catch. Winters, however, has a completion rate of only .406, having hit 58 of 143 attempts.

All West Texas fans will have their eyes on Albie (Double O) Owens, who steps into the shoes of the injured Thomas at fullback. The Carlisle, Pa., product nailed down the starting job as a sophomore last year, but saw the number one spot go to Thomas this fall when Owens was slowed by an injury.

Dave Szymakowski has been the busiest pass receiver for the Buffs this season with 17 grabs. Charles Henderson has accumulated the most yardage, however, with 325 yards on 14 catches. End Dan Andrews also has 14 receptions for 238 yards. Szymakowski's yardage total is 288.

The West Texas defensive team will no doubt make their presence felt. In addition to a hard-hitting line, safety Steve Haterius leads the nation in pass interceptions and return specialist Curley Waters is among the nation's elite in running back kicks.

West Texas has won three of the four games played between the two schools, including a 38-6 landslide last year in Buffalo Bowl.

Disputed Play Figures In Tie

A disputed play figured prominently in an 8-8 tie between Phillips and Canyon in Ninth Grade action at CHS Field Thursday afternoon, and cost Canyon a possible victory.

In the first quarter Canyon was forced to punt from deep in its own end of the field. Two Phillips linemen broke through and blocked the kick, sending it bouncing back across the goal line. A Blackhawk gave hot chase to the ball, and finally fell on it at a point that appeared to be at least three yards behind the left goal post. The referee, who was nowhere near the play, made no indication but put the ball on the Canyon 20. Then he picked up the ball and moved it back to the Canyon three and ordered Phillips to go for the extra point, thus signifying that a touchdown had been

awarded. A pass into the end zone was complete and gave the visitors an 8-0 lead.

Coaches of both teams were of the opinion that the ball had been recovered out of the end zone and should have been ruled a safety rather than a touchdown. A safety would have given the Blackhaws only two points. The referee, who might have avoided argument had he been near the play, maintained that the Phillips player gained possession of the ball in the end zone and slid out beyond the end line.

Canyon scored in the third quarter on a pass interception by Frank Belcher, who returned the theft 65 yards. The conversion run by "Moose" Kelly Tinsley tied it up at 8-8.

"Phillips had a fine team and there's no getting around it," pointed out Coach B. B. Kendrick. "They had the best team we've played all year as far as I'm concerned."

"Our offense didn't move the ball at all," Kendrick said, "but our defense was magnificent. Linebacker David Smith and cornerback Frank Mayfield were excellent and were in on most of the tackles. End Harvey Risner did a good job, and the other cornerback, Robert Bull, did a real good job."

News Brief

UPPERCLASSMEN defeated freshmen handily, 48-8 in the annual Powder Puff game last Thursday night before a good crowd in Buffalo Bowl.

Proceeds from the game totaled \$150, which will go to the Paulette Sullivan Memorial Fund. The money is used for scholarship assistance for women students majoring in physical education at WTSU. Eight students have received assistance through the program, sponsored by the Women's Physical Education Majors Club.

PASS, PUNT, AND KICK trophy winners in recent competition against youngsters from Amarillo are Dennis Collier, left, and Bob Counseller. Counseller placed third in the twelve year division and Collier placed third in the thirteen year division. The contest was held at Alamo High School in Amarillo. Both boys are members of the Canyon Falcons Kids Incorporated football team and attend school at Rex Reeves Elementary.

Evans Recital Slated Sunday

Bill Evans, instructor in music, will be presented in the second of a series of faculty recitals Sunday (Oct. 29) at West Texas State University. The public is invited for the program at 3 p.m. in the Fine Arts Building auditorium.

A pianist, Evans has selected Scarlatti's "Sonata in E major" to open the recital. His second number will be the four-movement "Sonata in B flat major (Posthumous)" by Schubert.

After an intermission, Evans will play Mozart's three-movement "Sonata in A major, K. 331." Concluding the program will be "Valse Brillante in A minor, Op. 34, No. 2" by Chopin; "Capriccio in B minor, Op. 76, No. 2" by Brahms; and "Hungarian Rhapsody No. Six in B flat major" by Liszt.

A native of Big Spring, Evans began playing by ear at age 5, and did his college preparatory work with Jack Hendrix. One of the top scholarship students at North Texas State University, Evans studied piano with Stefan Bardas, artist-in-residence. He earned both the B.A. and Master of Music degrees at NTSU.

He has been a faculty member at WTSU since 1961, with three years leave for military service. Evans has begun work toward a doctorate in piano performance at the University of Texas.

Miss Lenora Ann Adair became the bride of Marvin Dale Hays in a candlelight double ring ceremony read Saturday at Faith Chapel in Canyon.

The bride is the daughter of Rev. and Mrs. Marcus Adair of Canyon. Parents of the bridegroom are Mr. and Mrs. Okley Hays of Garber, Oklahoma.

Rev. Adair, father of the bride, and Rev. Harold Waterbury of Katy officiated at the exchange of vows. Traditional nuptial music was presented at the organ by Mrs. Royce Grant and Mrs. Larry Stokes, piano.

Accompanied by Mrs. Grant, Royce Grant presented a solo arrangement of "All That I Am". A trio composed of Linda Adair, Rita Conn and Mrs. Glen Cummings sang "Love Never Changes" as the bride approached the altar.

Preceding the bride to the altar were garland bearers including Mrs. Dave Boran of Albuquerque, N. M., Mrs. Dale Rutman of Woodward, Okla., Misses Janie Burk, Janis Miller and Pauline Batt of Canyon, Barbara Unruh of Odessa, Retha Campbell of Enid, Okla., and Linda Jo Allison of Happy. The garland bearers were attired in hot pink and orange floor-length velveteen gowns and carried a garland of greenery which was lit with tapers forming a candlelight path for the arrival of the bride.

The bride sang "To Know You Is To Love You" to the bridegroom preceding the ceremony. She also presented her mother and the bridegroom's mother with long stemmed pink roses during the rites. The ceremony was concluded with the bride reading "Til Death Do Us Part". As the couple knelt at the prayer bench, "The Wedding Prayer" was read by Mrs. Duane Adair, sister-in-law of the bride.

An arched candelabra with 20 tapers in a bright orange tone was used as the background to the altar. Flanking the central altar were spiral candelabra with pink tapers and accenting greenery. Serving as candlelighters were Miss Peggy Peck and Russell Peck, both of Edna.

The bride chose a formal gown of imported velveteen accented with maribou fur and jewel decorations on the skirt. The A-line gown, with fitted bodice, was accented with Queen Anne sleeves and a detachable sheer train which was held at the shoulders and formed a cascade with the train from her bridal veil of silk illusion. The bridal veil was held by a Dior bow accented with jewels matching the dress. She carried a floral ball of white pompoms and maribou fur complementing the dress as her bridal bouquet. Fashioned by Eula Mae Baumgartner, the bridal gown was designed by the bride.

In keeping with tradition, the bride wore her grandmother's wedding ring as something "old and borrowed". Her grandmother, Mrs. Hattie Howard of

Wedding Rites Solemnized Saturday For Lenora Ann Adair And Dale Hays

Logan, Oklahoma, was present for the ceremony. She carried a white handkerchief as "something new" and wore the traditional blue garter. A penny denoting the year of the bride's birth was worn in her shoe and her only jewelry was a strand of pearls, which were a gift from the bridegroom.

Ginger Dee Adair, niece of the bride, wore a dress identical to the bridal gown as she preceded the bride to the altar. She served as the miniature bride in the processional rites and carried a wedding bell candle which was lit by the bride

of the church. The serving table was covered with a white floorlength taffeta cloth featuring a flounce edge. Tapers in the bride's chosen colors of orange, hot pink and olive green were used to decorate the table which was centered with the bride's bouquet. The three-tiered wedding cake was topped with wedding bells.

Presiding at the serving table were Mrs. Guy Hays and Mrs. Floyd Campbell of Enid, Okla. and Mrs. Walter Unruh of Odessa. Other members of the reception houseparty were Mrs. Oren Fisher and Mrs. Nolan Brown of Canyon, Mrs. Ralph McCune, Mrs. Robert Howard, Mrs. Merle Custer and Miss Claudine McCune of Logan, Okla., Mrs. John Riddesperger of Follett, Mrs. Roland Flock of Darrouzett and Mrs. M. M. Peck of Edna.

After a wedding trip to Niagara Falls, New York, the couple will make their home in Enid, Oklahoma where the bride is teaching school and her husband is a student at Phillips University.

A graduate of West Texas State University, the bride served as art coordinator for Edmond, Oklahoma Public Schools last year and presently teaches art and music at Enid. At WTSU, the bride was active in Delta Zeta social sorority, Kappa Pi honorary art fraternity, and was a member of the University Chorus and Choral.

A graduate of Garber, Oklahoma High School, the bridegroom is presently employed with the appliance division of Farmland Industries. He is a member of the Farmland Industries Softball Team, which is currently the state champion team in Oklahoma. As a high school senior, Hays was named as Oklahoma State Player of the Year for football.

Larry Hays served his brother as best man. Groomsmen were Guy Hays and Bob Hays, brothers of the bridegroom, from Enid, Okla., Glen Cummings and Duane Adair, brother-in-law and brother of the bride. The groomsmen also served as ushers for the occasion.

For her daughter's wedding, Mrs. Adair wore an unusual color silk sheath dress with brown and copper accessories and a corsage of orange chrysanthemums. The bridegroom's mother selected a burnt orange crepe with black accessories and a corsage of green tinted chrysanthemums.
